Monday, April 24: Palette Pals @ 1:00

Wednesday, April 26: Early Out Wednesday @ 2:00

Thursday, April 27: Story Time @ 10:30
Knitters @ 1:00

Scenes Of YesterYear

Saturday, April 8 we will host a program about Springville's past. *Springville: Scenes of Yesteryear* will feature a slideshow of Springville history, focused on the old railways that ran through the town and the buildings and businesses that surrounded them. Presented by Wes Bender of the Springville Area Historical Society, this 45 minute production will be followed by questions and discussion. A treat for any history buff, this program will take place in the Buresh room at 1 PM.

Good Ol Country

Harold Gray & Good Ol Country will be visiting us on April 13th at 6:00! We are incredibly lucky to see Harold so many times a year, it's a show we love offering to our patrons! Lively music and a lively crowd make for a great evening, so be sure to mark your calendars for this musical night!

Easter Crafting

Saturday, April 15 we'll be doing some crafts to celebrate Easter! There will also be an Easter themed photo set, so you can have a keepsake for the day! Fun starts at 11 and goes until 1!

Thank YOU volunteers!

April 23-29 is National Volunteer week! This is a note to thank all of our volunteers! We are so grateful for all that you do!

A Dino Story

Our Dinosaur Exhibit Story

Early last fall, Springville patron Jack Gilbert came to the library with an idea. He had a vision of constructing a T-Rex out of cardboard. He had a small model in hand, which started our dinosaur adventure. Our first consideration was supplies. With an enlarged model the size he wanted to build, it would take lots of cardboard. With the generous donation from International Paper, Kapstone of Cedar Rapids and R&R Dudak of Springville, this project began to take shape. By this time, Alan Safely had joined the effort, and he teamed up with Jack to make this project what it is today. Many, many volunteer hours later, the library is very proud to own and display 3 giant models. There is a T-Rex and Stegosaurus hung from the library ceiling, a Dimetrodon by the fireplace, and a trophy head of a T-Rex, which will be mounted on the wall. We want to thank the Springville Memorial Friends of the Library for coming on board with us and funding this project. Such fun! Patrons have been enjoying the whole experience and can look forward to visiting these spectacular creatures when they visit the library in the future. Come see them for yourself. They are great!

Friends Book Sale

On Saturday, April 15th the Friends of the Springville Memorial Library will be hosting a book sale. The sale will take place here in the library from 11 PM until 1 PM. There will be many things for sale, books, cds, and movies, all at very low prices! You don't want to miss this great sale!
