## Summer Reading!

Are you ready to Build A Better World?  
 Join us this year for the library's summer reading program! Kicking off on June 7th with a special movie presentation, we plan to keep the fun moving all summer long! Activities, crafts, programs, prizes, and of course, books! Activities will be held at 1:00 PM on Wednesday afternoons, and story time remains Thursday mornings at 10:30. Here's a hint at what's coming:  
*June 7- Movie Day Kickoff*  
*June 10- An Day with the "Stiletto Girls", a writing/ author visit program*  
*June 14th- A visit from Jason from Linn County's Blue Stem agency*  
 And much more! Summer reading runs through August. We can't wait for you to Build A Better World with us!

## Vintage Aprons are Back

Last summer, a patron donated her mothers collection of vintage aprons, and we treasure them. We made decorative window hangings with them, and they were a bright addition to our summer! The patrons loved them, and some even donated new ones! So we're hanging them back up, adorned with the new ones in our collection. If you loved seeing them last year, or missed seeing them, come check soon to see them hanging up!

## Thank You!

The Monday Nighters club purchased and donated an extra long, economy use stapler to the library. Donations like this are always so greatly appreciated! We will get lots of use from the stapler and just want to express our gratitude. Thanks Monday Nighters!

## Fundraiser

Our Knitters have knitted/crocheted many brightly colored potholders. These handmade items are a great and cheerful addition to any kitchen! You can find them up at the circulation desk for two dollars a piece. All proceeds go directly to the library.

## Crafting Continues

Crafternoon is still going strong! This adult program takes place once a month, on the first Sunday of each month. Whether it be painting, crafting, or decorating, something creative is always happening at Crafternoon! And you'll always leave with a finished project to brighten your home or office! As all materials that are needed are provided, this program does require an RSVP so we know how many to prepare for. If you'd like to attend, call us (854-6444), email us (sprlibry@netins.net), or just drop in and say "I'll be there!". And on a similar note, don't forget about adult coloring on the first Thursday of the month! See you next time!
