Summer Reading Events

New Materials

Every week there is a new activity to take home for a fun time. Did you miss picking up last weeks? No problem, we usually have leftovers so just ask.

Don't forget to fill out your reading log for a chance at some amazing prizes.

On August 4th @ 1:00 we will have a hoot of a time with Chuck from Wikiup. He is going to tell us all about owls. (He talks to them!)

New Fiction

Count the Ways by Joyce Maynard

Falling by T.J. Newman

The Heathens by Ace Atkins (large print)

Hush-Hush by Stuart Woods

Such a Quiet Place by Megan Miranda

The Therapist by B.A. Paris

Unfinished Business by Judith A. Jance

STEAM Kits are a must do!

Our STEAM kits are packed with summer fun.

Here is a list of our new ones:

Understanding our Universe

Thank you, Friends!

Thank you to the Springville Friends of the library!

Some years ago (2013) the Friends purchased a book covering machine for us. We were able to cover our collection with a high quality book protection product. The machine broke down and through the generosity of our Friends we were able to replace our machine!

In September the Red Cedar Chamber group is coming back to our Library in person! Again this is due to the Friends stepping up and Funding the concert so it can be free to our patrons!

The Friends help us in many ways with fundraisers and volunteer time, please consider joining this valuable group. Inquire at the library.

Party Time at the Library!

Celebrate the Summer Reading program at the final party here in the Library.

On August 18th @ 1:00, we'll have fun activities and hold drawings for the program prizes.

Construction Notice

The library will be getting a new roof in August. Please watch for updates on parking and entering the library. Follow the signage and be safe.
