Library Closed November 2

Although our library will be closed on Tuesday, November 2, the Buresh Room in the library building will be open for Election Day. We hope you'll come out to exercise your right to vote for the candidates of your choice.

Waypoint Donations

The library will accept donations for Waypoint during the month of November. Waypoint provides services for women, children and families who are victims of violence, homelessness and poverty. Donations of food and toiletries will be so appreciated. Canned, dry or boxed foods, paper products, personal cleanliness items, new towels and new bedding are on the list of needs. A complete listing is available at the library. Thank you for considering a donation to support Waypoint's Madge Phillips Center Shelter and the Daytime Resource Program.

Adding to STEAM Kits in a new way

Many of you are familiar with our STEAM kits by now, and we thank you for making them so popular. We will continue to add to them, since they are being enjoyed by our patron families. The Junior Library Guild has introduced a new aspect of the kits—books used in conjunction with the internet--which bring the books alive. Each book has a code inside it which, when entered, allows the user to experience the book in a number of different ways. We have purchased three subscription categories: Arts Elementary Plus, All About Animals and About our World, and will be receiving a new book every month.

Upcoming

Christmas Tree Walk — December '21

Is your group or organization ready to get back to the fun of lighting our library with trees for the holiday season? We'd love to host your tree this year. This is a chance to get the word out about your group and bring enjoyment to the community at the same time. If a tree is a little more than you want to do, a decorated wreath would also be a fine option. We'll start accepting trees and wreaths after Thanksgiving and display them the entire month of December. Questions? Give the library a call at 319-854-6444.

Sneak Peek

Coming in April 2022: Master Gardener's programs each Thursday evening. More details to come as April gets closer.

Thanksgiving Thought

"Gratitude unlocks the fullness of life. It turns what we have into enough, and more. It turns denial into acceptance, chaos to order, confusion to clarity. It can turn a meal into a feast, a house into a home, a stranger into a friend. Gratitude makes sense of our past, brings peace for today and creates a vision for tomorrow." — Melody Beattie
