DIRECTOR'S REPORT

2025 Summer Reading Report

"Level-up your reading" was our theme. We partnered with Linn County Master Gardeners for programming all summer. We had gardening themed sessions and maintained a raised-bed garden on library property.

We utilized the Minecraft game by building a large Minecraft tree, complete with the bee, the pig and the creeper.

Our Numbers

Patrons registered... 48 people

Hours read... 450 hours

Program Length...10 weeks / with activity each Wednesday. Craft table changed every week with new project and coloring pages.

Hills Bank sponsored us with \$500, and Friends of the Springville Memorial Library sponsored us in the amount of \$200. We appreciate their generosity.

Summer Reading Program is a beloved tradition and always generates robust library activity.
