BEE-utiful Bees

The library is pleased to offer a program regarding bees on Saturday, June 21, at 1:00 p.m. Eva Atwood will be here to share her knowledge of caring for bees, the production of honey and the beneficial plants which can help our pollinators. Her expertise has been gained by many years of working with these important creatures. Please join us for a fascinating afternoon.

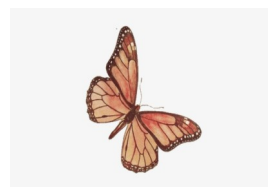

Some June Thoughts

"Not 'till June can the grass be said to be waving in the fields. When the frogs dream, and the grass waves, and the buttercups toss their heads, and the heat disposes to bathe in the ponds and streams, then is summer begun." - **Henry David Thoreau**

"It is better to be a young June bug than an old bird of paradise." - **Mark Twain**

"Green was the silence, wet was the light, the month of June trembled like a butterfly." - **Pablo Neruda**

Moons and Junes and Ferris wheels
The dizzy dancin' way you feel
As every fairy tale comes real
I've looked at love that way - **Joni Mitchell**
