SUMMER 2026 READING

Here comes Springville Memorial Library's 2026 summer reading program!! Our summer reading program is open to patrons of every age. All you need to do is register by filling out a registration form. From there, pick out books you want to read and start **READING!** This year's theme is **Plant a Seed, Read!** What does that mean? It means reading a book is a great way to learn things and a great way to grow.

Part of this summer's reading fun includes Wednesday afternoon programs for kids of all ages. **Programs are held at 2:30 each Wednesday, starting June 3 and ending August 5.** These programs involve various kinds of activities—stories, art projects, hands-on gardening, scavenger hunts, snacks, games—culminating in a party on August 5.

Our reading program is always based on participation. It is not a competition. Certain activities may have small prizes awarded, but it is never about who reads the most hours or the most books or the hardest books. Our goal just is to promote the joy of reading.

JUNE SUMMER READING

These are the summer reading programs for the month of June.
