Good Ol Country!

Harold is here for his first visit of 2019! We are excited to welcome him back on Thursday, April 11 at 6 PM! When Harold and his band have a concert, it's one of our most popular events, so be sure to get here early and get a front row seat!

Hippity Hoppity...

Easter is on the way! It's time for our annual visit from the Easter Bunny! After your eventful visit to the town egg hunt, stop by the library for a chance to get a picture with the bunny, and get a fun craft in before you go! Hop in on Saturday, April 20 at 11 AM to get in some time with your long eared friend!

Coming Soon:

What's coming soon, you may ask? Well for now, it's a secret! But be sure to be on the look out for a brand new kind of check-out, one that you can't get at very many libraries around here! We are so excited for what's coming and hope to make an official announcement soon!

Mariah's Corner

This month, Mariah has reviewed Alcatraz vs. the Evil Librarians, the first in a series by author Brandon Sanderson. The series consists of 5 books, and we have all 5, so be sure to stop in and check them out!

Question, how many of you guys have an inheritance? But an even bigger question is, what would you do if your inheritance was a bag of sand? Well putting all seriousness aside, join Alcatraz Smedry as he studies his amazing inheritance discovering the wonders of sand!!! Do I have you all sold? No? Ok, ok, the book Evil Librarians by the author Brandon Sanderson was a funny/kind of annoying book. I mean this book is NOT for the faint hearted. All in all this book series grew on me as Alcatraz bravely fought off romance novels, (you'll have to read the book to get the joke). But an evil librarian cult is taking over our world, and it is up to Alcatraz to stop it!

A Universe of Stories!

We are ready to announce our summer reading program! Kick-off is Wednesday, June 12th at 1 PM. We decided we needed a magical start, so a magic show is our first event of the summer. Join us!
