A Universe of Stories

Summer reading is here! Can you believe it? We start the fun with a magical kick off on Wednesday June 12th at 1 PM! We have a great summer planned, with programs, games, and of course, BOOKS! Reading will earn you some fabulous prizes. We are just getting started collecting what you can win but we know we have:

A \$25.00 gift card to Barnes and Noble (4 winners will receive this prize!)

Several children and adult grab bags. Don't worry, there's more to come! Summer Reading runs through August 14th, with a program every Wednesday at 1 PM! Story Time will continue on Thursday mornings at 10:30 AM. Please see the last page of the newsletter for a complete summer reading schedule.

Hobby Kits!

Don't forget to come check out our new hobby kits! This is a great way to explore a new creative venture in your life, and we are so excited to give you the opportunity! Come see your choices today!

AARP Smart Driver

We are hosting another AARP Smart Driver class. These classes are for people aged 50+ to refresh and enhance your knowledge of rules on the road. We will hold the class Thursday, June 20 at 8:30 AM. Price is \$15.00 for AARP members and \$20.00 for non-members.

Garage Sale Day

As you might know, Saturday, June 8 is City Wide Garage Sale Day in Springville! While you're out getting some good deals, why not stop in here and find some? The Friends of the Library Books are always available to peruse during library hours. Stop in between 11 and 3 on Saturday, and see if you can't find a book, movie, or CD that strikes your fancy! And if you can't make it in on garage sale day, the books will be here waiting on any other library day!

Thank You!

We want to give a big thanks to Melissa Carnahan over at Springville Elementary for organizing the student visits to the library! She got so many students in to learn about the summer reading program, and we are grateful! Thank you!

If you walk in the library and see an interesting table inside the library doors, it is a fun project for you to do in the library called a Make and Take. It is just a fun family project to do while you are in the library picking out books. It's a great way to spend some time crafting with your little ones!

Keep an Eye on July

Because one of our favorite musical guests and his band are back for their summer show! Harold Gray and Good Old Country return on Thursday, July 11 at 6:00 PM! We know this is a community favorite as well, so we wanted it on your calendar!
