## Summer Reading Winners!

We had a fantastic summer! We explored the universe with crafts, games, snacks, guests, and of course, BOOKS!

A big thanks to all of our speakers, all of the volunteers and parents who helped activities run smoothly, and of course to all of our participants. Summer wouldn't be nearly as much fun without you! Thanks for spending the summer with us! See you next year!

## Movie Matinee Is Back

We are so excited to revamp our movie program! So join us for our new and improved movie matinee on Saturday, September 21 at 2:00 for a showing of Dumbo (2019 Live Action version)! This event is a free showing and open to the public of all ages, so come on in and enjoy!

## Red Cedar Chamber

We are very excited to welcome back the Red Cedar Chamber music group this September! On Saturday, the 28th at 1 PM, please join us for a “Jazzy Jamboree”. Featuring Miera Kim on violin, Carey Bostian on cello, and guest artist Christine Bellomy on clarinet, this trio will perform classical works with a jazz connection, including Gershwin, Reinhardt, Brubeck and more. This is a free concert open to all, so don’t miss this!

## Music Through the Ages

It is a musical September around here! Samantha Lakin performs for us on Thursday, September 26 at 6 PM for “Music Through the Ages.” Featuring vocal selections from the 50’s, 60’s, 70’s and more, Samantha surely has a tune for you, whether it be a country hit or a gospel song. This is yet another free show for the public, so be sure to come early to get a seat!

## New Materials!

### STEAM to Go Kits!

STEAM to Go kits are fun, interactive kits that encourage STEM learning to elementary aged students. Complete with facts about technology and games to make learning fun, these are a great addition to our library. We have 4 kits available

**Robotics and Coding Kit:** Full of fun facts about robots, computers, x-rays and other cool technology and inventions. For ages Pre-K through 3rd grade

**Circuits and Technology Kit-** Explores the most amazing and awe-inspiring facts about technology and inventions throughout history. For ages 4th grade and up.

**Science Lab Experiments-** Helps kids explore the science in everyday life with simple, step-by-step experiments to do around the home. For ages Pre-K to 3rd grade.

**All About Magnets-**a dynamic, hands-on introduction to the fascinating powers of magnets. For ages Pre-K to third grade.

## Friends of the Library

The Friends of the Library will hold their annual meeting on Thursday, September 12th at 6:30 PM, in the Buresh Room of the Springville Memorial Library. All members are encouraged to attend. If you are not a member but interested in discovering what the Friends are all about, this is the place to be.
